THE ONE HUNDRED AND ONE BEST SONGS

FOR HOME, SCHOOL AND MEETING

THE SPECIAL FEATURES

of this Tenth Edition make it pre-eminently the finest Collection of its kind ever published. We have added the exceptionally melodious "Commencement Song" and the new Patriotic Song, "America the Beautiful," which was so enthusiastically received at the North Shore Festival, where it was rendered by 1200 trained voices from the public schools under the leadership of P. C. Lutkin. There are also selections from the great operas that lovers of music will not fail to appreciate, special Thanksgiving numbers, also the popular Wedding March from Lohengrin and the great football song, "Boola," have been included in this edition. For the younger children Martin Luther's famous "Cradle Hymn" and Mary Mapes Dodge's "Can a Little Child Like Me" make this collection a notable one.

Confident that a great many will desire this Collection in a permanent binding, we have published an edition in heavy board covers with cloth backs.

2 Memory's leaflets close shall twine
Around our hearts for aye,
And waft us back, o'er life's broad track,
To pleasures long gone by.

3 College life is swiftly passing,
Soon its sands are run;
But while we live we'll ever cherish
Friendships here begun.

"There are two kinds of people in this world—those who are always getting ready to do something, and those who go ahead AND DO IT."
